

ANNUAL REPORT

2019-2020

ANKLESHWAR INDUSTRIES ASSOCIATION

Plot no. 618-619, GIDC Estate, Ankleshwar

Telefax: 02646-222000, 221000, 253102

Email: info@aiaindia.org web: <http://www.aiaindia.org>

Dear friends,

Except environmental issues, Year 2019– 20 proved to be an eventful year for all of us. During this year, so far as problems related to industrial development are concerned, some of the problems were sorted out. Due to global recession, overall slowdown was experienced in the first half of the year and situation was slowly improving, but the lock down imposed due to outbreak of Covid-19 pandemic since the 1st quarter of the year 2020 deteriorated the situation further. Since June 2020, on announcement of relaxations in the Covid-19 Protocol, the trade and industry are picking up the momentum and I am sure; shortly the industry will come on the track of growth.

As you are aware, Ankleshwar Industries Association as part of its objectives has been endeavoring to strengthen the basic infrastructure required for industrial development, besides sorting out individual and common problems of industries. So far as basic infrastructural facilities are concerned, we have been putting all possible efforts for improvement in power supply, water supply, roads and street lights, telecommunication and other relevant and important basic amenities in and around the industrial township. With your whole hearted support, our efforts could yield better results during the year.

Issues related to GIDC, GPCB, GST, Income Tax and other departments were represented to the authorities from time to time. On follow up of the issues most of the problems have been sorted out and remaining problems are under due consideration of respective departments.

Implementation of project for total digitalization of Notified Area is nearing completion and as its part, online billing and payment of Water Supply and Drainage Cess is launched on trial basis. Similarly, online billing and payment of Notified Area Tax, online complaint registration etc; will be launched very soon.

Status of common environmental projects being implemented by Ankleshwar Waste Management Limited is as under:

1. New 10 MLD CETP for SSI Units:

Preliminary project works like engaging consultants, preparation of DPR, Designing and building plan approval of new 10 MLD capacity CETP for SSI

units of Ankleshwar, to be set up under Notified Area Authority, Ankleshwar, but to be operated by Ankleshwar Waste Management Limited in the plot of 30,000 Sq. Mtrs. land allotted for this purpose, @ estimated cost of Rs. 71.00 crores have been completed. EC and NOC of this project have already been granted. Bhoomi Pujan of the project was performed at the august hands of Shri Nitinbhai Patel, Hon'ble Deputy Chief Minister on 14th October 2019 in the presence of Shri Jaydrathsinhji Parmar, Hon'ble Minister of State for Environment (Independent Charge), Shri Ishwarsinh Patel, Hon'ble Minister of State for Co-operation, Sports & Games, Youth, Cultural Affairs (Independent Charge) and Road Transport, Shri Mansukhbhai Vasava, Hon'ble Member of Parliament, Shri Dushyantbhai Patel, Hon'ble MLA, Bharuch, Shri Arunsinh Rana, Hon'ble MLA, Vagra, Shri Balwantsinhji Rajput, Chairman, GIDC, Dr. M D Modiya, IAS, District Magistrate & Collector, Bharuch, Shri Baldevbhai Prajapati, National President, Laghu Udyog Bharti, Shri B C Warli, Chief Engineer, GIDC, Shri N M Tabhani, Member Secretary, GPCB and other distinguished guests. Application for Financial Assistance has been submitted and is under due consideration of the Industries Commissioner. Tender for civil construction and procurement of machinery are being finalized.

2. Similarly to set up Project for Interim Co-Processing Facility on Plot No. 9302 – 9307 admeasuring 45,000 Sq. Meters allotted in favour of Ankleshwar Waste Management Limited @ 50% premium price is in progress. Order for civil construction has been placed and construction will commence soon.

Management of Water Supply & Drainage Schemes through the Notified Area Authority could satisfy the community. All complaints are being attended on war footing and as on date, we could prove trouble free operation of both the schemes. Last year the State has received good rainfall and all the dams were full and we could maintain normal water supply in the estate. Based on availability of water from the Irrigation Department, since March 2020, two times supply to the housing sector and 24 hours supply to the industrial sector have been maintained.

Even after undertaking repairing and maintenance of wells/Filter Plants of 5 MGD each at Rundh @ Rs. 45.00 lakhs, Jhagadia is not supplying more than 10 MLD against the committed quantity of 22.50 MLD to Ankleshwar. Matter is being followed up vigorously with GIDC and hopeful of positive result soon. As alternate source, proposal for laying new pipeline from Rundh to Ankleshwar is under due consideration of GIDC Head Office. To enhance the storage capacity of reservoir, our proposal for deepening of Reservoir @ estimated cost of Rs. 22.50 crores is also under consideration of GIDC HO. DPR with estimate prepared by the Consultant on the Project for upgradation of Water Supply Distribution System @ Ankleshwar has also been submitted to GIDC HO.

We had been following up with the State Government and DGVCL for providing maximum grant for underground cabling project. Because of maximum Rs. 25.00 crores ceiling in the grant, we thought of splitting the project to two phases, but again we had to go for single project as the Government will not sanction grant for second time. In the meetings with the Managing Director and other senior officials of DGVCL, we could convince them to consider the income from sale/utilization of dismantled overhead structures and fixtures in the project cost and to call per KVA charges from the consumers through the Notified Area to meet the balance cost after Government grant and DGVCL share. In accordance with this formula, the project was being finalized, but due to the lock down imposed on outbreak of Covid-19 pandemic since March 2020, finalization of project is being delayed.

With the vigorous follow up with GIDC at Head Office level, GIDC has considered all issues and allotment of housing plots to the applicants positively. GIDC has agreed to allot land for development of Transport Nagar to the Notified Area. In a recent meeting, the Regional Manager, GIDC, Ankleshwar principally agreed for early allotment of residential plot. Our request for allotment of adjoining plots to the existing industries is also under due consideration of GIDC.

In January 2020, a mega industrial exhibition “AIA Industrial Expo 2020” was organized with support of Industries Commissionerate, iNDEXTb, GIDC, GSDMA, FIA, GCCI, Panoli,

Jhagadia, Dahej, Saykha and various other Industries Associations and Laghu Udyog Bharti. More than 300 stalls/exhibitors participated in the Expo and the event was a grand success.

We had been following up with NCT Management and the State Government for transfer of management of FETP and Effluent Conveyance System up to deep sea to Ankleshwar and Panoli Industries Associations by forming a new company so that modernization/upgradation of FETP and Effluent Conveyance System, capacity enhancement of FETP from 40 to 60 MLD and Booster Pumping Station from 60 to 105 MLD. Since Jhagadia has already been separated from FETP, we had proposed either NCT can manage the portion of Jhagadia own its own or hand over them management of pipeline from Jhagadia up to Booster Pumping Station at Kantiyajal to Jhagadia. Board of NCT in its meeting held on 26/03/2019, agreed to our proposal of transfer of management of FETP and Effluent Conveyance System to Ankleshwar and Panoli Industries Associations and advised to submit final proposal. We after having meeting with the Presidents of Ankleshwar, Panoli and Jhagadia Industries Associations have submitted proposal for restructuring of NCT Board with the consent of all the directors of NCT from Ankleshwar and Panoli industrial estates. Finally the State Government principally agreed to our proposal and in the first week of January 2020, the Chief Secretary advised GIDC to hand over the company to the local industries associations for management. As advised by GIDC, the process for setting up a new entity has been initiated by Ankleshwar jointly with Panoli Industries Association. Meanwhile, we have been relentlessly following up with NCT for undertaking upgradation activities in the FETP as well as uploading application for capacity enhancement of Booster Pumping Station from 60 to 105 MLD, so that consent application for expansion of capacity of FETP from 40 to 60 MLD can be made to the GPCB subsequently. But it is felt that NCT personnel are deliberately delaying the entire process by creating one or other hurdle at every stage. However, we have been in constant follow up and we are sure to complete all formalities as early as possible.

As the new billing formula of charging Fix Cost and variable cost adopted since April 2019 for six months on trial found more disputable due to erroneous method used at the NCT end, on our repeated representations, NCT Board decided to restore the original billing formula since March 2020. In the bills raised for the trial period since April 2019, there were large scale discrepancies in respect of Variable Cost, which lead to hue and cry amongst the industries and to set right the

issue, in last Board meeting of NCT formed a three members' committee. Sitting of this committee is being arranged soon.

For finalizing marine disposal norms, as per the recommendation of NIO, CSMCRI and NEERI, we have filed intervention petition in Hon'ble NGT. Settlement of this petition was positive and as per the directive of Hon'ble NGT the Ministry of Environment, Forest & Climate Change constituted a high level committee to study the facts and submit report for finalizing marine disposal norms for NCT. Matter is under due consideration of the committee. Due to outbreak of Covid-19 pandemic, sitting of this committee is being delayed. Let us hope for better results in coming days.

All are aware that due to the lock down imposed on outbreak of Covid-19 pandemic, the trade and industry has been struggling a lot to overcome difficulties. In the initial period of lock down, only the industries of essential commodities only were permitted to operate, that too with 30% of their capacity. Later on all industries were allowed to operate, subject to strict compliance of lock down protocol. At every stage, we have helped the industries to get permission to operate from the administration. We have also represented to the Government for giving relief/financial assistance to the industries to overcome the losses suffered during the lock down period. The Government acceding to the request of industrial forums has declared different schemes and stimulative packages, waiver of fix cost in energy bill, partial waiver of penal interest on gas bills etc. during the lock down period so as to ensure growth of industry as well as economy.

Detailed report on various activities carried out by the Sub Committees formed for the year 2019-20 are annexed in the coming pages.

I am thankful to all my colleagues in the Managing Committee and Sub Committees for their support and co-operation extended to me during my tenure. I also take this opportunity to express my gratitude to all member industries for their support and co-operation extended in the activities of the Association throughout the term.

Mahesh J Patel
President

G. I. D. C.

With our repeated and untiring representations, most of the individual and common issues related to GIDC have been solved.

GIDC took a liberal view of the applications for residential plots in Ankleshwar and assured to clear all pending applications both manual and online as early as possible. GIDC also agreed to consider our representation to extend time limit for utilization of residential plots in Phase III, IV and V where infrastructure is being developed.

Notified Area:

The Board of Management for Notified Area has been very effective and there has been substantial improvement in the functioning of the Notified Area. Notified Area against total tax of Rs. 3315.00 lakhs assessed for the year 2019-20, collected Rs. 2827.92 lakhs during the year. Against total arrears of Rs. 2777.22 lakhs of previous years, collected Rs. 635.96 lakhs + interest Rs. 251.05 lakhs during the year. Thus the total Consolidated Tax collection during the year is Rs. 2858.59 lakhs. Outstanding carried forward for the 2019-20 is Rs. 3254.85 lakhs + interest of Rs. 1938.64 lakhs, making the total to Rs. 5193.49.

During the year, repair and maintenance of Roads, Storm Water Drains, Street Lights, Gardens, Joggers' Park, Children Park etc. have been carried out on regular basis. Cleaning of housing area has been undertaken regularly. At the instance of the Board of Management for Notified Area, especially of its Chairman, Shri Ashok N Chovatia, the District Administration sanctioned Covid-19 Testing Centre and the Notified Area set up the Testing Centre @ K M Munshi Sanskrutik Bhavan.

All major jobs executed by the Notified Area Authority in co-ordination with the Infrastructure Maintenance Committee and other committees of AIA are detailed in the report of respective committees in coming pages.

Disaster Prevention & Management Centre:

Major activities of the DPMC during the year:

- (1) Attended 114 emergencies of fires, accidents, gas emissions, explosions etc.

- (2) Celebration of National Fire Service Day, Independence Day, Republic Day, National Safety Day..
- (3) Periodical meetings of Local Crisis Group and others conducted regularly during the year.
- (4) Training programs/Seminars/Workshops organized during the year:

Sr. No	Training Program/Events	No. of Batches	No. of persons
1	Training programs in different industries & DPMC	03	87
2	Industrial & Health Training Programs	17	160
3	Fire fighting & rescue Training Programs	15	307
4	Dist. Level Off-site Emergency Exercise under Dist. State Authorities at Atul Ltd.	01	All Members of DCG
5	On Site Emergency Mock drills	01	All employees
6	Safety awareness programs for school students as per the instruction of Dist. Collector	03	All students and teaching staff
7	Home safety program for ladies club of Deccan Fine Chemicals	01	All ladies
8	Inspection/audit of Fire Protection System	45	
9	Drivers Training Program under CMVR 9(3)	03	87
10	Two days seminar on “EHS – Bridging the Skill Gaps” during AIA Expo 2020.		
11	Presented a paper in CIDM Conference organized by FICCI at New Delhi.		
12	Presented a paper in International Seminar on “Safe and Efficient Transportation of Chlor-Alkali Products in India” at Vadodara		
13	Presented a paper in CIDM Conference organized by FICCI at Gangtok.		

Smt. Jayaben Mody Hospital:

During the year, the hospital continued to extend its excellent medical treatment and health services to the community. Since April 2020, the hospital has been designated as Covid-19 Hospital and has been providing effective treatment to the Covid-19 patients.

Dakshin Gujarat Vij Co. Ltd.

During the year, overall performance of power supply system was found satisfactory on account of periodical and effective maintenance of transformers and feeders. Some of the problems of individual and common nature were sorted out through series of meetings and written representations. Still there is need for further improvement and efficiency in service so as to sort out complaints from the consumers. There are many complaints regarding delay in attending complaints.

Public Relation:

Cordial relationship at the State, District, Taluka level personalities, authorities, farmers, social workers, community leaders and others have been excellent during the year.

Activities of Sub Committees:

1. AIA Expo, GST-Customs & Government Liaison Committee:

Performance of the committee under the Chairmanship of Shri Pravin S Teraiya during the year is as under:

- (i) AIA Expo 2020, 10th Mega Industrial Exhibition was organized during 09-11 January, 2020 at D A Anandpura Cultural & Sports Centre. Event was inaugurated on 9th January 2020 at 09.30 hours at the august hands of Shri Mansukhbhai Mandaviya, Hon'ble Minister of State for Chemical, Fertilizers & Shipping (Independent Charge), Government of India in the presence of Shri Ishwarbhai Patel, Hon'ble Minister of State for Co-operation, Sports, Youth, Cultural Affairs (Independent Charge) and Road Transport, Government of Gujarat, Shri Mansukhbhai Vasava, Hon'ble Member of Parliament, Bharuch, Shri Dushyantbhai Patel, Hon'ble MLA, Bharuch, Shri Arunsinh Rana, Hon'ble MLA, Vagra and other distinguished guests.

In this exhibition, pharmaceutical, chemical, petrochemical, polymers, plastic, pesticides, engineering, pollution control equipment as well as electronics & electrical sector industries were participated. There were 8 domes, accommodating 160 exhibitors in 300 stalls.

On 10th January 2020, Lok Daira was organized at AIA Centre for Excellence for the entertainment/refreshment of the exhibitors who took part in the Expo 2020.

Valedictory function of the Expo was organized on 11th January 2020 at 14.30 hours in the presence of Chief Guest Dr. D. M. Gandhi, Site Head & Vice President (Mfg.), Lupin Limited, Ankleshwar and Guest of Honour Shri Kuldeep Singh Rajput, Branch Manager, National SC-ST Hub (NSSH), Surat. In this function, 31 Exhibitors in Small, Medium, Large sectors, Machinery, Filter & Filtration Technology, Electrical, Pipe & Pipe Fittings, Technology Presentation, Customer Approach and Environment & Safety categories were presented trophy for best display of products and related performance.

AIA Anandapura Trophy was also distributed in the valedictory function for highest manufacturing turnover and best export performance in Micro, Small, Medium and Large Sectors to the industries.

Total turnover was including GST and sponsorship is Rs. 1.77 crores. Total profit is around Rs. 98.00 lakhs and after the commission to the agency (35% up to sale

of 1.25 crores and 45% of the stall booking after sale above Rs. 1.25 crores) AIA gained net profit of Rs.64.00 lakhs.

- (ii) Non-availability of medical staff and facilities in ESIC Hospital @ Ankleshwar and demanding records of five years by the officers visiting industries were represented to the Union Minister and Senior Officers of ESIC.
- (iii) The MSME-DI, Ministry of MSME, Govt. of India, Ahmedabad organized a meeting on Intellectual Property Rights on 22/10/2019 at AIA Conference Hall.
- (iv) Organized an outreach/seminar on Sabka Viswas (Legacy Resolution Disposal) Scheme 2019 and Central Goods & Service Tax, Audit (CGST Audit) jointly with Central Goods & Service Tax, Vadodara Audit Commissionerate on 20/12/2019 at BEIL Seminar Hall.
- (v) On 23/01/2020, the Labour Welfare Commissionerate organized a function to distribute labour welfare fund cheques to 500 labours. A representation was made to the Labour Welfare Commissioner and Hon'ble Minister Labour and Employment for setting up Community Hall (Shramik Bhavan) of 500-1000 seating capacity @ Ankleshwar for the labours.
- (vi) The Income Tax Officer (TDS), Bharuch organized an outreach/seminar on Vivad Se Viswas Scheme 2020 & Compliance with TDS Provisions on 05/03/2020 at BEIL Seminar Hall.
- (vii) The Chairman of the Committee jointly with the President Shri Mahesh J Patel and Shri Ramesh K Bodar on imposing lock down due to outbreak of Covid-19 pandemic co-ordinated with the SDM, Dy. Director of Industrial Safety & Health and Government Labour Officer for granting more than 2500 vehicle passes to the industries of Ankleshwar & Panoli. Similarly, co-ordinated with the Mamlatdar for issuance of Inter-District and Inter-State individual travelling permissions. Also co-ordinated with DIC and Collector Office for granting permission for restarting factories and have been successful in getting permissions to all the industries of Ankleshwar and Panoli Industrial Estates.
- (viii) In a video conference meeting arranged by DIC at District Collector office on 26/06/2020 in connection with Gujarat Atmanirbhar Package Yojana, it was informed that all the MSME units in Bharuch District have disbursed Subsidy on Term Loan.
- (ix) The Hon'ble Union Minister for Labour & Employment as well the District Collector have been requested to make available medical services including OPD in ESIC Hospital @ Ankleshwar to the patients of the area irrespective of ESIC

subscription, since Smt. Jayaben Mody Hospital has been designated as Covid-19 Hospital.

2. Business Promotion & Foreign Trade Committee:

The committee under the chairmanship of Shri Dharmendra M Patel has undertaken activities as under:

- (i) AIA Anandapura Trophy for best export performance and manufacturing turnover amongst Micro, SSI, Medium and Large Scale Industrial Sector units has been distributed to the winners in a function arranged in the valedictory ceremony of AIA Industrial Expo 2020 held on 11th January 2020, at D A Anandapura Sports & Cultural Centre, in the presence of Chief Guest, Dr. D M Gandhi, Site Head & Vice President (Mfg.), Lupin Limited and Guest of Honour Shri Kuldeep Singh Rajput, Branch Manager, National SC-ST Hub (NSSH), Surat.
- (ii) ECGC Ltd, Vadodara organized an interactive session for the exporting industries on 18/02/2020 at AIA.

3. Centre for Excellence Committee:

Performance of committee under the chairmanship of Shri Kamlesh K Panchal during the year is as under:

- (i) During the year, 20 cultural programs and 2 seminars were organized in the auditorium. Environment related programs 6 and other functions 9 were also organized during the year in the auditorium, free of cost.
- (ii) Regular maintenance and repairs of DG Set, Chilling Plant, Air-conditioning unit, chairs and other equipment have been carried out.
- (iii) Insurance of Centre for Excellence Auditorium has been renewed. Earlier insurance was taken by Narmada Clean Tech.

4. Corporate Sector Co-ordination Committee:

This committee under the chairmanship of Shri Ramesh K Bodar since declaration of lock down due to outbreak of Covid-19 pandemic has been actively co-ordinated with

District Administration for granting permission for re-starting factories as well as vehicle pass to the employers and employees.

5. DGVCL Committee:

The committee under the chairmanship of Shri Dinesh R Patel carried out following activities during the year:

- (i) Arranged a meeting with the DGVCL Officers on 21/08/2019 and in this meeting the Superintending Engineer assured to undertake transformer shifting, installation of area-wise DB as well as to sort out issues related to power failure.
- (ii) DGVCL has carried out replacement of conductors in housing sector. Similar job will be done in the industrial sector soon after Diwali holidays.
- (iii) In the meeting with the Superintending Engineer, DGVCL on 12/06/2020, the SE assured to sort out the issues within one month.
- (iv) Meeting with the MD, DGVCL was organized regarding underground cabling through PM Portal. For underground cabling under AII Scheme of 80:20, representation has been made to the Principal Secretary, Industries & Mines, Shri Manoj Das. IAS and based on his noting, representation was also made to the MD, DGVCL.
- (v) DGVCL has been advised to attend the complaints of power failure received from time-to-time without delay.

6. Digital Committee:

Performance of this committee under the chairmanship of Dr. Umesh Gondaliya during the year is as under:

- (i) Successfully introduced online visitor registration system during Expo. This system could help in avoiding large queue for manual registration during expo days. Three counters were set up in the Expo 2020 and considering success of the new system, another three counters will be added from next Expo.

- (ii) Distribution of new life membership certificates and barcoded identity cards to majority of member industries has been done and for the remaining procedure is in progress.
- (iii) New Industrial Directory of Ankleshwar was planned and started data collection. But due to lock down, project was suspended for 5 months and now implementation is being resumed.
- (iv) The committee made arrangements for video conference meeting of Managing Committee on Zoom App and the attempts were grand success.
- (v) Since declaration of lock down, all circulars, important information/messages, Government Notifications etc; have been sent/shared/communicated to member industries through newly generated AIA Official Whatsapp group. This system has been much helpful to the members in getting updated information in time.

7. Drainage Committee:

This committee under the Chairmanship of Shri Rakesh Vekariya has carried out activities as under during the year:

- (i) Cave developed on STP sewage line near the reservoir was repaired and put the line in normal use.
- (ii) Line leakage in the green belt opposite to K Patel Chemopharma has been eliminated by laying line in 4 mtrs. depth.
- (iii) Leakage of line inside the STP has been repaired.
- (iv) On development of leakage on 800 mm pipeline at Final Pumping Station, stopping effluent discharge from the industries, stored effluent was stopped, repaired the line in shortest time of 15 hours successfully and restored effluent flow to the inlet of NCT.
- (v) 2 Chambers of over-ground pipeline has been completed. Due to Covid-19 lock down, permission is not granted. Hence fixing MS lids to the chambers is pending.

- (vi) Near Atul Chowkdy, over-ground line was found overflowing. Problem was then sorted out by erecting two pump sets in the chamber and kept the pump sets running for two days.
- (vii) Since 01/05/2020, job of locating old Jhagadia line, repairing and eliminating leakages on the line and connecting the same with other line with 'T' is in progress.
- (viii) For laying 800 mm HDPE line in STP, digging work is over and delivery of pipe has been received. Work will be completed soon.
- (ix) On visiting rear portion of GIDC quarters, it was found that both the drainage lines and water supply lines are broken and leaking due to which small ponds of filthy water were developed. All residents of GIDC quarters were directed by NAA to get both the lines and chamber set right on their own cost in time bound manner, failing which to disconnect water supply line. Around 60% people on their own cost repaired the lines and chambers. NAA after the time limit disconnected water supply lines of others. During checkup, it was observed that 80% housing quarters have unauthorized construction in front/behind their quarters, which cause difficulty in attending drainage line complaints. Such occupants were served notice to remove encroachment and repair the lines/chambers on their own cost and risk in time bound manner. Due to lock down, NAA has kept the task pending and once the lock down restrictions are lifted, against 7 days' notice will be served. After the time limit demolition campaign will be started to remove the encroachment at the cost and risk of occupants.
- (x) Complaints received have been attended from time-to-time.

8. Environment Liaison & Monitoring Committee:

This committee under the Chairmanship of Shri Haresh G Patel has been carrying out activities as under during the year:

- (i) All minor and major issues of industries related to environment were effectively represented to the State and Central Pollution Control Boards, Ministry of

Environment & Forests and other relevant departments from time to time. Implementation of the action plan framed to get Ankleshwar removed from Critically Polluted Industrial Estate Category, has been reviewed regularly and arranged meetings with the Pollution Control Board and MoEF officials from time to time for vigorous follow up of implementation of the action plan.

- (ii) The committee advised industries to discharge trade effluent after due treatment as per the norms stipulated by GPCB, being monitored by the team engaged by NCT and reviewed the situation from time to time.
- (iii) As per the advice of the Regional Officer, GPCB, Ankleshwar, the committee monitored air, liquid, solid waste pollution in the estate and adopted necessary corrective measures from time to time.
- (iv) As per the directives of Forest & Environment Department, undertook tree plantation in green spaces and open plots.
- (v) As part of CEPI Action Plan, a committee consisting of representatives of GPCB, AIA, NAA, NCT and industries has started meeting in every 15 days to review Monsoon Action Plan. As decided in one of the meetings of the committee, industries have been advised to ensure no flow of waste water in to natural creeks as well as to open surface and SWD. Industries were also advised to keep clean the portion of SWD passing along their premises.
- (vi) Bhoomi Pujan of the 10 MLD capacity CETP project was performed at the august hands of Shri Nitinbhai Patel, Hon'ble Deputy Chief Minister on 14th October 2019 in the presence of Shri Jaydrathsinhji Parmar, Hon'ble Minister of State for Environment (Independent Charge, Shri Ishwarsinh Patel, Hon'ble Minister of State for Co-operation, Sports & Games, Youth, Cultural Affairs (Independent Charge) and Road Transport, Shri Mansukhbhai Vasava, Hon'ble Member of Parliament, Shri Dushyantbhai Patel, Hon'ble MLA, Bharuch, Shri Arunsinh Rana, Hon'ble MLA, Vagra, Shri Balwantsinhji Rajput, Chairman, GIDC, Dr. M D Modiya, IAS, District Magistrate & Collector, Bharuch, Shri Baldevbhai Prajapati, National

President, Laghu Udyog Bharti, Shri B C Warli, Chief Engineer, GIDC, Shri N M Tabhani, the then Member Secretary, GPCB and other distinguished guests. Consultants for preparing DPR, Design of the plant etc. have been appointed. Application for Financial Assistance has been submitted and is under due consideration of the Industries Commissioner. Tender for civil construction and procurement of machinery are being finalized.

- (vii) World Ozone Day was celebrated on 16th September 2019 jointly with GPCB. Celebrations of World Earth Day and World Environment Day were simplified to only tree plantation due to lock down on outbreak of Covid-19 pandemic.
- (viii) All complaints regarding environment received from time-to-time have been attended/taken up with the concerned authorities.

9. GIDC Committee:

This committee under the chairmanship of Shri Natubhai B Patel represented issues of industries related to GIDC both at Regional and Head Office level and most of the issues have been sorted out.

- (i) Issues pertaining to allotment of residential plots, adjoining plots, Transport Zone etc. have been represented to GIDC continuously. In last meeting, the Regional Manager to speed up allotment of residential plots and sorting out other issues.
- (ii) As advised by GIDC, AIA compiled common issues related to the industries and submitted to GIDC for the consideration of Lok Darbar. It was observed that in most of issues of industries, different agencies are evolved and redressel of such issues will only be possible if all concerned agencies are present in the Lok Darbar. From our representation, following issues were considered in the Lok Darbar and vide Circular No. GIDC/O&M/CIR/Atmanirbhar/017/2020 dated 19/06/2020 resolved them:
 - (1) One Time Settlement Scheme
 - (2) Waiver of Non-utilization penalty for the year 2020-21

- (3) Extension of time limit for payment of installment due in March 2020 and June 2020 for 6 months and waiver of late payment interest and penal interest for 1st 3 months and recover late payment interest at the lowered rate of 7% for the period above 3 months.
- (4) Extension of time limit for down payment in the case of new allotments and extension of late payment interest waiver time limit up to 30/09/2020.
- (5) Suspension of review of land allotment price for the year 2020-21.
- (6) Lowering interest rate from 12 to 10% on GIDC dues for the year 2020-21.
- (7) Extension of moratorium period for utilization of plots for another one year for the current financial year.
- (8) Extension of moratorium period up to 31/03/2022 and waiver of non-utilization penalty in the case of allottees whose utilization moratorium period is over.
- (9) Simplification of allotment approval policy for the plot size up to 3000 Sq. Meters.
- (10) Allotment of adjoining plot without additional premium for the unsaturated estates.
- (11) Extension of time limit for payment of water and drainage bills of March 2020 and April 2020 up to 30/06/2020.
- (12) Approval for setting up residential accommodation in the industrial plots till March 2021 or situation is limped back to normalcy, in view of increased Covid-19 pandemic cases.
- (13) In order to revive the units closed for more than 2 years, decided to levy non-utilization penalty @ 5% instead of prevailing maximum 20% as well as transfer @ 10% instead of prevailing 15%.

Following issues represented by AIA are under due consideration of GIDC and other concerned Government agencies:

- (1) Revision of Notified Area Tax Structure.
- (2) Authenticating Notified Area to collect Professional Tax.

- (3) Sanction of financial grant @ 80% by the State Government and 20% by GIDC for implementing underground electrification project.
 - (4) With the Comprehensive Development Scheme fund paid so far by the Notified Area, infrastructure development in villages surrounding to the Notified Area have been completed. Therefore now the Government should allow the Notified Area to spent now available with the fund for development of infrastructure within 5 kms. radius of the area.
 - (5) Provision of sewage pipeline for the non-chemical industries and commercial establishments.
 - (6) Allotment of land for common environmental projects and other projects at token rate of Re.1/=.
 - (7) Hand over the land of Green Belts, Pumping Stations, Water Supply Scheme etc. to the Notified Area for timely maintenance.
 - (8) Removal of unauthorized encroachment in the open plots, sheds and public places.
 - (9) Construction of 30 Mtr. wide road up to CETP.
- (iii) All issues of industries related to GIDC have been represented from time to time and most of them have been sorted out.

10. Green Belt & Rain Water Harvesting Committee:

The committee under the chairmanship of Shri Nainesh J Radadia has been very much active and carried out following activities during the year.

- (i) During the year 25 applicants have been given subsidy cheques under rainwater harvesting scheme and 44 wells have been recharged. Another 3 applications received are under consideration.
- (ii) 4650 trees in industrial sector and housing sector have been planted so far.
- (iii) On sponsorship of industries for the purpose of EC application, 4000 trees have been planted on roadside margin so far. 55 industries have sponsored 3627 trees so far. As further industries are coming up with sponsorship, additional order for

1000 trees has been placed with the agency, which has already commenced the work.

- (iv) Plantation done by the agency appointed by GIDC was not found satisfactory. So after plantation of 3245 trees out of 10000, as per the direction of GIDC, the agency has stopped further work.
- (v) On 5th June 2020, as part of World Environment Day celebrations, representatives of AIA and officers of GPCB, GIDC and NAA have undertaken tree plantation in the Co-Processing Facility plot of AWML opposite to Detox.

11. Infrastructure Maintenance Committee – Housing

This committee under the chairmanship of Shri Harshad K Patel carried out following activities during the year:

- (i) Regular cleaning of roads, shopping complexes and public places and removal of waste/garbage have been carried out.
- (ii) As part of Deepawali Celebrations, AIA Complex and colony areas were lightened with colour lights during Deepawali days.
- (iii) Cleaning of SWD, BSG patchwork of roads etc. have been undertaken on regular course during the year. Seal coat carpeting of road from Tulsi Apartment to Vision School and construction of new road from Sajjan India Colony to Vansh Residency have been completed. Provided road divider near Manav Mandir.
- (iv) On outbreak of epidemic, all vacant plots have been dewatered and removed bushes and plants. Regular spray of pesticides and spreading of DDT powder have also been carried out as special case.
- (v) Door to door collection of garbage is well maintained. As part of cleanliness, usage of plastic bags in Vegetable Market has been banned and started imposing penalty on the defaulters.
- (vi) To keep the entire housing area neat and clean, domestic waste, jungle cutting waste and others have been lifted and disposed of at designated

site on regular course. To keep the housing area and commercial complexes neat and clean, dust bins have been provided to ensure no spreading of waste on road. Roads of entire housing area have been cleaned with Boomer Machine regularly.

- (vii) To control mosquito and other insecticide menace, spraying of pesticide and fogging have been carried out regularly. During increase of mosquito menace, extra agency has been engaged to spray pesticides and fogging.
- (viii) Provided Plastic Tree Guards have been provided to the trees planted along the roadside.
- (ix) Put all out efforts to keep street lights functioning fully. Agency has been directed to attend the complaint regarding street light without delay.
- (x) Trimming of trees has been carried out at regular interval.
- (xi) Since Covid-19 cases reported in the State, sanitization of entire housing sector has been undertaken at regular interval. Similarly on reporting Covid-19 case from the area, sanitization/disinfecting have been carried out in that particular area.
- (xii) Constructed new SWD from Police Station to Dargah, near Raviniketan Society and provided slab on SWD near X Series. Earth filling and leveling work have been completed in the plot opposite to Parasmani Complex. MS and RCC lids have been provided to the chambers.
- (xiii) Cleaned Amlakhadi from GIDC Reservoir to Amlakhadi with Hitachi Machine.
- (xiv) Attended all complaints from the housing sector from time to time.

12. Infrastructure Maintenance Committee – Industrial

This committee under the chairmanship of Shri Nilesh S Gondaliya carried out activities as under:

- (i) Constructed Box Culverts in front of GRP, Gujarat Organics, Norris Medicines and GIL.
- (ii) Constructed Storm Water Drain at Sunshine Velvet, Compound Wall to MSW and provided road divider (railing) in front of Pratin Cross roads.
- (iii) Repaired two side MS Pipe railing of over bridge. Painting of MS swage Type Street light poles @ Indokem sub plots. Composite has been supplied to tree plantation @ Green Belts of various locations.
- (iv) Cleaning of all main roads of industrial sector have been carried out on regular interval. Similarly SWD has been cleaned.
- (v) Efforts have been put in to ensure functioning of street lights fully. Complaints in this regard have been attended without delay.
- (vi) Filling potholes, Area Grading and patchwork of roads have been carried out.
- (vii) Series of meetings with the MD, SE, XEN DGVCL were held in connection with underground electrification project. Finalization of final proposal submitted to the DGVCL is delayed at HO level on account of Covid-19 lock down.
- (viii) Complaints from the industries regarding infrastructure have been attended personally with due care and sorted out from time to time.

13. Non-Chemical Liaison Committee:

This committee under the Chairmanship of Shri Surendra S Rai has been taking up the issues of non-chemical industries related to GIDC, Notified Area and other departments with the support of other Sub Committees. During the year the committee carried out activities as under:

- (i) During the year, 7 applications received from the non-polluting industries for exemption from drainage cess and drainage contribution

charges were forwarded to the Notified Area and 6 of them have been granted exemption so far.

- (ii) Co-ordinated with Engineering Export Promotion Council, India to have organized a seminar on 24/01/2020 at BEIL Seminar Hall on “How to Increase Engineering Export Worldwide”.

14. Safety & Security Committee:

This committee under the chairmanship of Shri Suresh V Patel during the year carried out activities as under:

- (i) Meetings with the Police Inspector, GIDC Police Station were arranged very often and represented issues related to security of the area. On our request, the police force started catching and penalizing reckless bike riders and removed illegal liquor suppliers from the estate.
- (ii) Live contact has been maintained with the Security Agencies to ensure effective guarding of points as well as patrolling.
- (iii) Complaint of M/s. K Patel Chemopharma Pvt. Ltd, regarding encroachment on the bank of creek by anti-socials has been sorted out.
- (iv) Before Navratri festival meeting of Navratri organizers, a meeting of the Police Inspector, DPMC and security force was arranged to consider the safety and security arrangements to be taken by each during the festival. DPMC has been advised to be prepared to meet and tackle emergencies like fire etc.
- (v) Similarly a meeting of housing societies with the Police Inspector was arranged to consider the precautions and security arrangements to be taken in view of occurrence frequent theft/house breaking incidents. All were advised to take all possible precautions and security arrangements in the society on their own. To make effective patrolling and vigilance by the security force, details of security points and arrangements were provided to all. In view of theft cases reported from the housing colonies, night patrolling was made more vigorous which helped to catch culprits in 5-6 cases.

- (vi) During Navratri and Deepavali vacation, tight security arrangements were made and everybody could celebrate the festival well without any kind of untoward incidents of theft etc. With the co-operation of police force, the criminal activities in the area could have been minimized.
- (vii) Larry-galahs, causing traffic obstacle were removed from time to time. On commencing monsoon, food poisoning cases were reported and as a precautionary measure of diseases, all lorries of eatable items were removed from the colony area with immediate effect.
- (viii) During the year, patrolling of security vehicle has been made effective. Theft materials discovered by the security force were handed over to the Police Force for legal action at their end.
- (ix) During the year, Committee members reached each location, where incidents of fire etc. were occurred to extend necessary help in rescue operation etc.
- (x) Since declaration of lock down due to outbreak of Covid-19 pandemic, security force has been alerted to ensure strict compliance to Covid-19 protocol like dispersing gatherings at public places, cautioning people about social distancing and wearing face mask. All gardens and Joggers' Park have been closed immediately on declaration of lock down. Entire vegetable market has been closed and issued permission to the vendors to sell vegetables, fruits etc. through moving larries, subject to the condition of using hand sanitizer frequently and wearing face mask compulsorily. Security force has been keeping strict vigilance on the street hawkers and defaulters have been penalized.
- (xi) On the request of Police Department, GIDC Police Station building has been renovated at the cost of Rs. 21.00 lakhs.
- (xii) All complaints received related to safety and security were attended and sorted out from time to time.

15. Social Welfare Committee:

This committee under the chairmanship of Shri Suresh J Joshi carried out following activities during the year:

- (i) As part of environmental preservation activities, 1966 eco-friendly Ganesha idols from the township were immersed in a pond constructed opposite to ESIC Hospital under the guidance of SDM, GPCB and NAA during Ganeshotsav 2019.
- (ii) Navdurga Mitra Mandal sponsored uniform of the students of Anganwadi. Similarly, TV Set and Water Cooler have been donated by Shri Mehul Patel and Shri Prakash Vekaria respectively to the Anganwadi. Gujarat Labour Welfare Board has sanctioned sponsorship worth Rs.3.00 lakhs to indoor/outdoor playing aids in the Anganwadi. Cheque of Rs. 1.50 lakh as initial sponsorship was handed over to AIA during a function organized by them in January 2020.
- (iii) As part of social responsibilities towards the society, under “Mahila Vidyasanjivani Yojana”, drop out women candidates who passed in SSC Exam in 2019 and their guide teachers were felicitated in a function organized jointly with Ankleshwar Philanthropic Society and Shri Rajaram Sanskrutik Seva Trust on 28/09/2019 at Diamond Children Theatre.
- (iv) Gujarat Labour Welfare Boarde has also sanctioned a grant of Rs.50,000/= against Cricket Tournament expenses for the benefit of labours.
- (v) M/s. Sajjan India Limited has sanctioned sponsorship to the interior furnishing of “Senior Citizen Activity Centre worth Rs. 51.00 lakhs and released 1st installment of Rs. 21.00 lakhs. Similarly, M/s. Kalupur Commercial Co-operative Bank has sanctioned Rs. 7.00 lakhs as sponsorship to physiotherapy centre equipment of Senior Citizen Activity Centre. Implementation of the project kept pending for 5 months due to lock down, is being now restarted.
- (vi) On recommendation of Shri Ishwarbhai Patel, Hon’ble Minister of State for Co-operation, Sports & Games, Youth, Cultural Affairs (Independent Charge) and Road Transport, Projector, Screen and

Sound System worth Rs. 39,000/= was donated to the Municipal Primary School, Goya Bazar, Ankleshwar. Similarly donated Yoga Day Track Suits worth Rs. 60,000/= to the students of Survadi Primary School.

- (vii) During the academic year of 2019-20, 78 kids were admitted in the Anganwadi.
- (viii) The workshop on “Creative Learning of Children of Ankleshwar GIDC” held on 02/03/2020 at in Sanskardeep School was sponsored by AIA worth Rs.1.85 lakhs.
- (ix) During the lock down period, 11190 food kits worth Rs. 46,15,244/= were distributed to the people affected of Covid-19 lock down in the villages surrounding the estate, villages along NCT pipeline up to Kantiyajal as well as to the villages suggested by the District Administration. An amount of Rs.25.00 lakhs has also been donated to the Chief Minister Relief Fund as Covid-19 Relief Fund. Against this total amount of Rs. 71,15,244/=, donations worth Rs.76,97,034/= from the industries have been received.

16. Water Supply Committee:

This committee under the chairmanship of Dr. Vallabh Changani carried out following activities during the year:

- (i) In order that Ankleshwar gets 22.50 MLD water supply from Rundh, as per the advice of GIDC, repairing of two wells/filter plants at Rundh worth Rs.45.00 lakhs was carried out successfully. Even though supply from Jhagadia still remains up to 10 MLD. Issue of short supply is being followed up vigorously with GIDC to direct Jhagadia to supply 22.50 MLD water to Ankleshwar as per the agreement.
- (ii) Last year, the State has received good rainfall and all the dams including Ukai dam were filled fully. With the blessings of the God, we have therefore been able to maintain normal water supply to the

industrial sector as well as two times supply to the housing sector since August 2019 and no curtailment in supply is foreseen in coming days.

- (iii) Cleaning of reservoir was started initially with less manpower. Later on agency was advised to increase manpower so as to complete the task quickly.
- (iv) All complaints received regarding water supply have been attended regularly.

Acknowledgements:

We are very much grateful to the Hon'ble Chief Minister, Shri Vijaybhai Rupani, Hon'ble Deputy Chief Minister, Shri Nitinbhai Patel, Hon'ble Minister for Energy, Shri Saurabhbhai Patel, Hon'ble Minister of State for Environment (Independent Charge), Shri Jaydrathsinhji C Parmar, Hon'ble Minister for Water Supply, Shri Kunvarjibhai M Bavaliya, Hon'ble Minister for Labour and Employment, Shri Dilipbhai Thakore and Hon'ble Minister of State for Co-operation, Sports & Games, Youth, Cultural Affairs (Independent Charge) and Road Transport, Shri Ishwarbhai Patel and other ministers for taking keen interest in the development of our estate, considering our representations and solving our problems.

We are also thankful to Shri K K Kailasnathan, IAS (Retd.), the Chief Principal Secretary to the Hon'ble Chief Minister for giving patient hearing to our representations and taking up the issues with respective departments for their early resolution.

We are also grateful to the Hon'ble Union Ministers Shri Purshottambhai Rupala, Hon'ble Minister of State for Agriculture and Farmers' Welfare, Shri Mansukhbhai Mandavia, Hon'ble Minister of State for Shipping (Independent Charge), Chemicals & Petrochemicals, Shri Mansukhbhai Vasava, Hon'ble Member of Parliament, Bharuch, Shri Ahmedbhai Patel, Hon'ble Member of Rajya Sabha, Bharuch, Shri Dushyantbhai Patel, Hon'ble MLA of Bharuch and Shri Arunsinh Rana, Hon'ble MLA, Vagra for providing continuous and valuable help in solving our problems.

We are also grateful to the Member Secretary, GPCB, Shri A V Shah and his predecessors Shri K C Mistry and Shri N M Tabhani, Sr. Environmental Engineer, Ankleshwar Unit Head, Shri Prathamesh Patel and other senior officers of GPCB Head Office as well as Regional Officer, Ankleshwar, Shri R R Vyas and his predecessor, Shri R B Trivedi and other officials of Gujarat Pollution Control Board, the Chairman, Gujarat Zonal Officer and his team of Central Pollution Control Board for their valuable guidance and assistance. Similarly, we express our sincere gratitude to the Chairman, GPCB and Additional Chief Secretary, Department of Urban Development & Urban Housing Department, Shri Mukesh Puri, IAS and his predecessor, Dr. Rajiv Kumar Gupta, IAS, and other officials of State and Central Ministry/Department of Environment & Forests for the assistance and support extended to us in our efforts for sustainable industrial development through environment preservation.

We are also thankful to the then Hon'ble Minister for Environment, Forests and Climate Change, New Delhi Dr. Mahesh Sharma and his successor, Shri Prakash Javadekar for considering our issues related to environment. We are also thankful to the Secretary, Ministry of Environment & Forests, Chairman and Member Secretary, CPCB, New Delhi.

We are also thankful to the Chief Secretary, Government of Gujarat, Shri Anil Mukim, IAS and his predecessor, Shri J N Singh, IAS and the then Principal Secretary, Industries & Mines Department and Additional Chief Secretary to the Chief Minister, Shri Manoj Das, IAS and Industries Commissioner, Dr. Rahul B Gupta and his predecessor, Mrs. Mamta Varma, IAS for giving due consideration and solving the problems of industries.

We also take this opportunity to express sincere thanks to the GIDC Chairman, Shri Balwantsinh Rajput, the then Vice - Chairman & Managing Director, Mrs. D. Thara, IAS and her successor, Shri M. Thennarasan, IAS as well as other senior officers of GIDC at Gandhinagar, Bharuch and Ankleshwar for their kind and sympathetic attitude towards our problems.

We are also thankful to Ms. Anuradha Mall, IAS, Additional Chief Secretary (R&R) and Chief Executive Officer, GSDMA for her assistance to DPMC, Ankleshwar in upgrading it as Mini Emergency Response Centre.

We are also thankful to the Commissioner of GST, Commissioner of Commercial Tax, the Deputy Sales Tax Commissioner, Assistant Sales Tax Commissioners of Ankleshwar and Bharuch, Sales Tax Officer, Ankleshwar and other officers for sorting out the problems of industries.

We are also thankful to the Managing Director and other officials of the Dakshin Gujarat Vij Company Limited for their help and solving the problems of industries related to the DGVCL.

We also like to place on record our deep sense of gratitude to all the IAS officers for their valuable support and guidance extended to us during the year.

We are also grateful to the then District Collector & Magistrate, Shri Ravi Kumar Arora, IAS and his successor, Dr. M K Modiya, IAS, the then District Development Officer, Ms. Kshipra Agre, IAS and her successor, Shri Arvind V, IAS, the District Superintendent of Police, Shri Rajendrasinh Chudasama, IPS, Deputy Superintendent of Police, Ankleshwar, the Joint Industries Commissioner & General Manager, DIC, Bharuch, the Sub Divisional Magistrate, the Mamlatdar, Ankleshwar, the Joint Commissioner of Income Tax, Bharuch, the Assistant Labour Commissioner, Dy. Director - Safety

& Health, the Regional Director ESIC, Regional Provident Fund Commissioner, the Chief Officer, Engineers of Notified Area Authority, Ankleshwar and their colleagues for providing help to the industries.

We take this opportunity to thank the senior officers of Railways and Bharat Sanchar Nigam Ltd for providing excellent service and assistance to us.

We are grateful to the Management of AIDS, AEPS, Dr. Anilbhai and Dr. Lataben Desai of Sewa Rural, Jhagadia, Doctors of Smt. Jayaben Mody Hospital, Principals of Shree Gattu Vidyalaya, Sanskardeep School, Lions School, National High School, St. Paul's School, Swaminarayan Gurukul School, Sarvodaya School, Sardar Patel Primary School, Saraswati Vidya Mandir, Marathi School and Kosamdi School and staff members for providing education to the children of industrialists and workers. We are grateful to the Rotary Club of Ankleshwar, UPL Rotary Library, Lions Club of Ankleshwar Industrial Area, Ankleshwar Junior Chamber, Indian Institute of Chemical Engineers - Ankleshwar Region, The Gujarat Dyestuff Manufacturers' Association – Ankleshwar Chapter, Sanskardeep Trust, Ramkrishna Vivekananda Charitable Trust, Ankleshwar, Sanskar Seva Trust, GIDC Sanskrutik Mandal, Manav Mandir Trust and other social groups of the area which have joined us to render useful services to the community.

We are grateful to the staff and management of Narmada Clean Tech, Enviro Technology Ltd and Bharuch Enviro Infrastructure Ltd for extending help and co-operation to the industries throughout the year.

We are also grateful to the President and office bearers of Federation of Industries & Associations (Gujarat), Gujarat Chamber of Commerce & Industry, Ahmedabad, The Southern Gujarat Chamber of Commerce & Industry, The Gujarat Dyestuff Manufacturers' Association, Ahmedabad, Dyestuff Manufacturers Association of India, Panoli Industries Association, Jhagadia Industries Association, Dahej Industries Association, Narmadanagar Industries Association and other organizations for their co-operation and support in representing common problems.

We are thankful to the Management of all newspapers, electronic news media, their local representatives and reporters for giving wide coverage of our activities.

We could not carry out any activity without the full support and confidence of member industries. We place on record our gratitude for the faith and unflinching support extended by member industries. We take this opportunity to thank each and every Managing Committee member, members of all sub-committees and industrialists, entrepreneurs and executives for their untiring help and steadfast support extended during the year.

Conclusion:

Year 2019-20 was full of glory, pride and many successful events. Solution to several pending problems with GIDC, GPCB, DGVCL and policy decisions from the Government in favour of the industries have been some of the outstanding events of the year.

We now request the members to consider the report. We would be very thankful to them for their valuable suggestions so that we can achieve still higher targets in days to come.
